EDUCATION

Swami Vivekanand College Of Engineering , Indore

2020-2024

B-Tech (CSE)

GPA: 8.30

Relevant coursework: Computer Network, OOPS, DBMS, Operating System

PROFESSIONAL EXPERIENCE

CodersID - Indore

Jan 2023- March 2023

→ Backend Node.js Developer Intern

- Designed ERD and implemented the database, authentication, validation etc.
- Wrote a non-blocking code using numerous advanced techniques & strategies of JavaScript.
- Developed strong organizational and time management skills by completing multiple tasks simultaneously.
- Made a project in the duration of internship :-
- Review and rating project (Node.js, MongoDB)
- User and blog project (Node.js, MongoDB)
- E-commerce (Node.js, MongoDB)

PROJECTS

Review and rating

January 2023

- Systematically developed the backend project section using Nodejs in the express library.
- MongoDB for database connectivity.
- Tests the APIs using Postman tool.

User and BlogAPP

February 2023

- used Nodejs ,the Express library.
- MongoDB to construct the backend of project .
- Postman to test the API.

E-Commerce

March 2023

- In this project first I have created ERD diagram.
- Then ,I structured my project by MVC design.
- I also use MongoDB for database.
- In this project I also used validation and authentication.
- I have also done unit testing by using Chai and mocha.

Simple Calculator

Feb 2022

- In this project I used Html for structuring the
- calculator, CSS for styling the calculator and JavaScript for its functionality.

Weather APP

August 2023

- In this project weather app that allows users to quickly check the weather forecast for their location and other locations around the world.
- The app is built using HTML, CSS, and JavaScript, and utilizes APIs to gather and display weather data.

SKILLS

Functional : SDLC, Agile

Technical : JavaScript, Core Java, C, C++, Es6, NPM, Node.js, Mongoose, GitHub, Git, REST APIs

Framework : ExpressJS, Bootstrap, Chai, Mocha

Databases : MongoDB, SQL

Web Development : HTML5, CSS3, JavaScript, Nodejs

Developer Tools : VS Code, Postman, GitHub , Eclipse

ACHIEVEMENTS

- Secured seventh rank in 10th boards at district level.
- Won scholarship of laptop by MPGOVT for appreciating my efforts and securing 84.3% in 12th.
- Actively participate in inter college competition of KHOKHO.
- Awarded first rank in school.
